Budget vs. Actual

No changes needed.

Order of Business (last month)

- Bylaws produced by Al Boggs - two months ago Betty Jo wanted to see them, and Al Boggs said could not produce the bylaws. **(Al says he brought them Budget Manual)**
- Outdoor light - Should have been fixed by Al or Rich months ago. **(Complete, Al gave me receipt.)**
- Why was the Rome Grange purchase agreement signed without the board's approval or even seeing the document? Why was Al Boggs the one who signed it? (Al says the board approved it) How was there a meeting with the lawyer on the subject without the board knowing about it? According to MTA all of the above was illegal in the eyes of MTA. Explanation needed. **(Al says he will ask at the next board meeting for MTA whether he took the proper steps in purchasing the Grange).**
- Rome Grange update - **(Closing is being set up)**
- Onsted Hwy open to farmers. **(Cost paper given to the board, financial costs are too high to justify the fixing of the tube Betty Jo says that the purchase of the Grange was not a good idea considering the state of the roads in Rome Township, Arno says it is too dangerous to keep turning left on to US223, Al Boggs is going to gather information about road restrictions, and insurance liability.)**

Order of Business (new)

- Google Drive Updates - Who is able to get into Google drive? **(Renee says everyone is able to get into Google Drive as of right now).**
- Web Site Updates - Have there been any updates to the website? **(Renee says that it is the job of the clerk to put the agenda on the web site. The agenda will be finalized on the Friday before the next meeting, and added to the agenda. The board will vote on who is going to add the current agenda to the website each month.**

A motion has been made that the clerk put the agenda on the website by Al Boggs, and seconded by Renee. The motion was carried 3-2.

- Board needs to decide - 1. Sell the land, 2. Move township hall, 3. Add bathroom and offices to existing hall. (**Betty Jo suggests that we sell the land, and add the bathroom, we need to ask the Fishers to come to the next meeting and Al Boggs needs to get an estimate of what the land is worth**).
- Appoint Rich Yeider as intern zoning/enforcement officer while Rick Arnold recovers from surgery. (**Revisit next month, we will see if Bruce Nickel wants to do it while Rick is out**).

Closing

***At 9:00 pm, a motion to adjourn was made by Harvey and seconded by Renee.
The motion carried 5-0.***
