Budget vs. Actual

No changes needed.

Order of Business (last month)

- **Rome Grange update:** Harvey - purchasing agreement is going back and forth between the lawyers and the state.
- **Tax Collection by County or us:** Al - cannot change anything this year. \$2.50 administration fee (\$2,647.00) would just about cover the Equalizations Data Processing Department contract. 2010 & 2011 was over \$2,500.00 from their DP Department. The treasurer would get a raise if she collects the Summer taxes as well as the Winter taxes.

Order of Business (new)

- **Molly Mason - web site presentation:** Molly presented her work, her ideas, and her price for new web site.
- **Board decision/discussion on complete overhaul of current website:** Renee believes we need to have dual webmasters for the time being to get the website up to date, because the web site is not being maintained at the present time.

A motion has been made by Renee to have dual web masters of the web site (treasurer/clerk) and was seconded by Harvey. The motion carried 3-2. (Betty Jo. - No, Wayne - No)

- **Communication between Board Members: No comments.**
- **Changing building permit base fee to \$55.00:** Wayne explained that all the other townships in the area are using a set fee of \$55.00 for a building inspection. Bruce Nickel is the inspector for 2 other townships and both use \$55.00. To keep everything straight we should increase ours.

A motion has been made by Wayne raise the base fee for building inspections from \$50.00 to \$55.00, and seconded by Renee. The motion carried 4-1. (Betty Jo. - No)

- **Meeting Minutes -Public Comments:** Correct minutes need to be made available within 8 business days of the meeting. Approved minutes need to be made available 5 days after meeting. Al does not want to add the "draft" minutes on the web site.
- **Building Site and Gilbert and Rome:** We will revisit this subject at a later date.
- **Permanent Voting Site - where:** The voting place needs to be voted on by the board so that we can update all the voter cards that are to be mailed out by the county within the next 30 days.

A motion has been made by Al to hold elections at the West Rome Church, and seconded by Betty Jo. The motion was carried 3-2. (Al - No, Renee - No)

- **Board Member Bylaws Spending Money:** Al says that he granted Harvey the authority to spend money with the attorney over the Grange Hall, and there are bylaws with MTA that states that the supervisor has the authority to do this. Betty Jo wants to see the bylaws.

Public Comment

Kevin Irwin - wants to know if Harvey has any of the information that they discussed in there one on one meeting that Harvey said he would have? **Answer: No.** Kevin wants to know why we have not had official inspections by builders, inspectors, electricians, and the health department before we decided as a board to purchase the Rome Grange. **Answer: There was no answer.** Kevin wants to know if we know or have discussed a budget for improving or bringing the Rome Grange up to code.. **Answer: No.** Kevin wants to know if we have done anything with obtaining the costs of building a new building on the land that we own. **Answer: No.**

Matthew Zellen - what problem are we trying to solve? **Answer: parking and restrooms.** Are the other options and have we explored them? **Answer: We have not explored any other option.** Have we as a board discussed/brainstormed any other options than purchasing the Rome Grange. **Answer: No.**

Amy Deline - is there is purchase agreement with the Rome Grange? **Answer: No.** Public comment needs to be recorded and placed on the minutes. **Answer: Al agrees with Amy.** Why is there an interest in changing collect taxes? **Answer: There is a strong possibility that we could be saving money by doing the taxes ourselves.**
